Dear patient,

We are happy to try to get your child's in compliance with the vaccination requirements from your school as soon as possible.

For us to complete this request ***it is mandatory that we get the written request from your school naming the specific vaccines they are requiring for your child's needs.***

Once you have the written information in your hand, please call our office for an appointment.

We cannot create an appointment for you or perform this service without this information. At the time of the vaccination, we cannot provide other medical care or discuss additional vaccination issues. If this is needed, after the shot visit we will schedule a follow up visit with a provider so your additional medical needs can be met.

Thank you
Pediatric Medical Associates.
